## BIO

A Southern California native at just 25, DJ Kurch is displaying talent way beyond his years and gaining notoriety and respect wherever he plays. Residing in San Diego, Kurch holds residencies at some of the cities top venues; Hard Rock Hotel, Stingaree and Ivy Nightclub. He also performs at some of the best venues in San Francisco, Las Vegas, New York and Scottsdale including Slide, Infusion Lounge, Tabu, Tenjune, Smashboxx and Jackrabbit. As a true "open-format" DJ, his versatility and ability to read a crowd makes him an asset to nightclubs everywhere. It's no wonder Kurch plays over 230 shows a year and has landed endorsements by KYBOE! watches, Aerial7 headphones, DieNasty Clothing, and Scratch Music Academy. While more than 40,000 people all over the globe have downloaded his mixtapes, the best way to get the DJ Kurch experience is live, in a city near you.
